## General

---

HOWE standard delivery times in EU are usually: Chairs 4-6 weeks, Tables 5-7 weeks.

In case of large quantities and/or customized products delivery time will be determined on a case-by-case basis.

The following products may have a slightly longer lead time so please ask HOWE:

- 40/4: Slim Armchairs, Barstools, Veneer (other than Walnut/Oak/Black Stained), Xtra, Lounge, Wood
- SixE: 4-leg on castors, Brace-linking, Barstools
- AS100 upholstered

For chairs with upholstery, the lead time starts being counted once fabric reaches the production line.

We recommend linking only for chrome frames.

Frame colours from RAL K5 colour card are available. For quantities < 200 chairs the colour fee is 220 EUR per RAL colour. For quantities ≥ 200 chairs there is no fee. Visual impressions of particular RAL may differ on various surfaces. Preparing product's sample(s) is compulsory. Lead time to be confirmed by HOWE CS.

Stained veneer is possible with RAL colours from RAL K5 colour card. For quantities < 200 chairs the colour fee is 100 EUR per RAL colour. For quantities ≥ 200 chairs there is no fee. Visual impression of particular RAL may differ on various surfaces. Preparing product's sample(s) is compulsory. Lead time to be confirmed by HOWE CS.

We recommend only stacking chairs with chrome frame.

Veneer is a natural material - differences in structure and colour may occur.

Upholstered armrests are as standard in the same fabric/leather type and colour as the seat and the back.

Soft castors are recommended for hard floors, hard castors are recommended for soft floors.

## 40/4

---

Please be aware that extra glides are not available for wooden frames.

40/4 can be stacked on a single, double, triple or quarto dolly. Double, triple and quarto can only be used with hook/eye linking.

As standard chair top frame and its swivel base are of the same colour but be aware that they are always matched by the chrome gas lift.

Glides for linking side chairs; the whole set for one linking side chair comprises of one male glide and one female glide at the front part of the frame (reinforcing the linking in the front part of the chair frame) plus two regular glides at the rear part of the frame; whether these are glides with or without felt depends only on customer's needs.

Regular glides are suitable for non-linking side chairs, for all types of armchairs and for lounge chairs; the whole set comprises of four clear regular glides per chair.

Glides for barstool with both chrome and painted frames; the whole set comprises of four regular glides per chair.

## MN1

---

Fixed seating height - there is no possibility to install both height adjustable and return mechanism together.

Gas lift is black for black base and chrome for polished aluminium base.

## SixE

## General

---

HOWE standard delivery times in EU are usually: Chairs 4-6 weeks, Tables 5-7 weeks.

In case of large quantities and/or customized products delivery time will be determined on a case-by-case basis.

The following products may have a slightly longer lead time so please ask HOWE:

- Simpla: Trapezoidal
- Tutor: 1390 mm double table (for armchairs and swivel chairs), F200 black tabletop

In case of using any electrification, accessories, or making configurations, the lead time starts being counted once technical drawings are approved by the customer.

Linking is recommended to ensure strong connection and levelling. Please use for both temporary and lasting tables' arrangements.

Veneer is a natural material - differences in structure and colour may occur.

Linoleum is a natural material - the variation of colours may appear due to a natural phenomenon called "drying room yellowing". In such case, please expose the top to either natural or artificial light to allow the tint to disappear.

Crescent shape – the inside curve of top may be exchanged for straight edge, especially if Modesty panels are needed – ask Customer Service for details.

Table ranges are estimates, mostly for rectangular tops. For non-rectangular tables or questions for sizes outside of the ranges, please contact your local Customer Service (CS) representative. If chamfered edges are requested, minimum size increases - check with CS.

# General conditions of sales

Price list 2026 - EUR excl. V.A.T. - Version 2.0

## General

---

These general conditions of sale and terms of delivery shall apply to all agreements concluded between HOWE A/S (hereinafter HOWE) and its customers (hereinafter the Buyer), unless otherwise specifically agreed in writing between the Parties.

## Conclusion of agreements, etc.

---

An agreement has not been concluded until HOWE has accepted an offer made by the Buyer by issuing an order acknowledgement, an invoice or other such written agreement based on the terms and conditions specified in this document. All prices stated in price lists and catalogues include packaging, such as pallets and transport containers, and exclude taxes, VAT, and any other charges. HOWE reserves the right to adjust the prices stated without prior warning in case of an increase in the price of raw materials, production costs, transport costs, packaging, or other sudden changes in the cost level. All agreements are thus concluded on the basis of the prices in force at the time when the order is received.

The agreement basis is thus the information, including information relating to price, materials, qualities, etc., that is stated in the order acknowledgement, invoice, or other such agreement, since other information shall be deemed to be for guidance only and may be corrected up until but not later than the time when the agreement is concluded. Unless otherwise explicitly agreed in writing, the goods have been sold for normal, standard use for the intended purpose.

## Payment, etc.

---

The first order always needs to be prepaid upfront in 50% of total amount before production planning of the ordered goods begins. The second payment for the first order should be prepaid 14 days before shipment day or - if it is agreed - for payment terms when Customer is already subject to Coface's credit insurance. Next orders can be agreed on payment terms when Customer is subject to Coface's credit insurance. In the absence of customer insurance, prepayment or a bank guarantee will be required. If credit payment terms can be granted, payment shall be made in accordance with the terms of payment stated on the invoice, which basically means that payment shall be made in cash/bank payment not later than 30 days after the date of invoice ("net 30 days"), unless otherwise explicitly agreed. If credit limit is exceeded, the outstanding invoices need to be paid even if they are not due or the new order needs to be prepaid.

The Buyer shall not be entitled to withhold any part of his payment and cannot meet his obligations through offsetting or similar. If payment is delayed, HOWE shall be entitled to charge interest at 0.75 % per month or part thereof and depending on the circumstances HOWE shall also be entitled to fully or partially withhold subsequent deliveries, specify special terms of payment, or – if necessary – cancel agreements with the Buyer in question. HOWE is entitled to charge a fee of 10 (ten) EUR for each reminder on late payment. All invoices will be sent by e-mail. Invoices sent by paper will be added an invoice fee of 4 (four) EUR.

## Property reservation

---

HOWE shall retain property in all the goods stated in the order acknowledgement or other such written agreement until the full purchase sum has been paid. The Buyer shall keep the goods fully insured until such time as the purchase sum has been paid and during this period the Buyer shall be responsible towards HOWE for any all and any damage suffered by the goods. HOWE has the right to inspect the goods at any time.

For any non-standard product there is a 500 EUR fee. In most cases there is also a minimum order quantity (MOQ).

---

## Buyers' cancellation of contract

The Buyer shall be entitled to cancel the contract up until forty-eight (48) hours after the order confirmation has been issued, provided that the manufacture/dispatch/delivery of the goods has not yet commenced at this time, in return for a payment of 5% of the purchase sum and any extra loss incurred by HOWE as a consequence of the cancellation. In the event that more than five days have passed since the order confirmation was issued, the contract may only be cancelled until 4 (four) weeks before confirmed shipment in return for payment of 50% of the purchase sum plus transport and administration costs and any extra loss incurred by HOWE as a consequence of the cancellation. Hereafter the contract cannot be cancelled.

---

## Delays

The confirmed time of delivery is only an estimated deadline since HOWE shall be entitled to make changes to or temporarily postpone deliveries in order to be able to organise its goods deliveries and administration appropriately. HOWE cannot be held liable for any loss suffered by the Buyer as a result of a changed or postponed time of delivery. Furthermore, HOWE does not automatically offer loan furniture in these situations.

## **Deficiencies, etc.**

---

HOWE shall only be liable for deficiencies in the goods sold if such deficiencies are the result of matters relating to the materials used or the craftsmanship applied. In particular, HOWE shall not be liable for matters resulting from wrong or abnormal use or storage, including in relation to climate and temperature conditions, or any other aspects related to HOWE's instructions.

When the risks in relation to the goods have passed to the Buyer, HOWE can only be held liable for faults and deficiencies to the extent specified in this provision.

The Buyer shall be obliged to carry out a detailed examination of the consignment immediately upon receipt. Complaints regarding deficiencies and/or visible transport damage which are – or should have been – discovered in this examination shall be written on the consignment note, which must be returned immediately, so as to inform HOWE at once. Any complaints regarding "non-visible" transport damage must reach HOWE not later than seven (7) days after the date of delivery and any complaints regarding any deficiencies ascertained must in each case be forwarded not later than seven (7) days after they were – or should have been – discovered. If the complaint is not made within these deadlines, the Buyer's access to advance claims in relation to any such deficiencies shall be forfeited.

A complaint shall be in writing and shall contain a specific description of the deficiencies with accompanying photo documentation or, alternatively, the deficient component/product shall be forwarded with the complaint.

In case of deficiencies for which HOWE is liable, the Buyer shall not be entitled to invoke any other rights than the right to have the goods replaced, which shall be done at no cost to the Buyer. In particular, the Buyer shall thus not be entitled to cancel the transaction or ask for a proportional rebate, compensation, or repayment, unless the deficiency ascertained is the result of gross negligence or intent on the part of HOWE. However, HOWE can under no circumstances be held liable for operating loss, loss of profit, time loss or other such indirect loss suffered by the Buyer.

The deficient goods belong to HOWE and shall be returned to HOWE upon request. Basically, the Buyer shall bear the costs and risk of such transport. Unless HOWE has explicitly undertaken to guarantee for the object sold for a longer period, HOWE shall under no circumstances be held liable for faults or deficiencies for which no written complaint has been sent within two years of the hand-over to the Buyer.

## **Product liability**

---

The Buyer shall compensate and reimburse HOWE for all, and any compensation claims made by third parties on account of damage or injury for which HOWE is not liable towards the Buyer. HOWE shall be liable for damage or injury resulting from defective products in pursuance of the provisions of Act No. 371 of 7 June 1989 (the Danish Product Liability Act). Such liability cannot exceed DKK 50,000 and HOWE can under no circumstances be held liable for operating loss, loss of profit, time loss or any other such indirect loss. The Buyer shall immediately inform HOWE of any cases in which a third-party file a lawsuit or otherwise advances claims on account of damage or injury caused by products manufactured by HOWE.

## **Design alterations**

---

HOWE reserves the right at all times to make such changes to product design, etc., as HOWE deems to be necessary. In such case, information about significant alterations shall be forwarded to the Buyer prior to delivery.

## **Invocation of rights**

---

If HOWE fails to exercise or claim one of the rights enjoyed by HOWE under these general conditions, such failure shall not be deemed to constitute a waiver of such right on the part of HOWE. Likewise, such failure shall not prevent such right in being invoked or claimed at a later point in time.

## **Disputes, applicable law**

---

Any dispute arising in connection with the performance of agreements in relation to these conditions of sale and terms of delivery, as well as any other matters relating thereto shall be decided by the Maritime and Commercial Court of Copenhagen. Any dispute shall be settled in accordance with Danish law, with the provisions of Act No. 237 of 28 March 2003 (the Danish Sale of Goods Act) to the extent said Act has not been deviated from in the above.

Be advised that HOWE A/S reserves the right to correct any printing errors, inaccuracies, or omissions.
