

REBELLO

DECOR

DESIGNS MADE TO LAST FOR GENERATIONS

Circle of Life chandelier in  $\varnothing 910$  mm.

Rebello Decor is founded by Maria Thygesen in 2022 – the company was a birthday present to herself, as she wanted to have more freedom in her life as mother to a son with autism.

Her vision is to design aesthetic and classic lighting, which can last for generations.

Maria calls her design direction Nordic Art Deco

# Circle of life

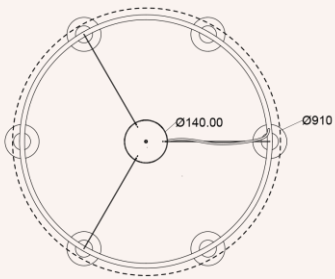

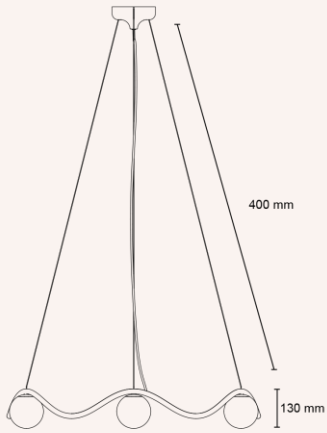

Design by Maria Thygesen

Winner of Bo Bedres Design Favourite Award 2023 in the category: Chandeliers

The organic curves of the chandelier refers to the ups and downs we all meet in life, but somehow the ends always meet.

2023  
BO BEDRE

13 cm. in height so it does not compromise your view

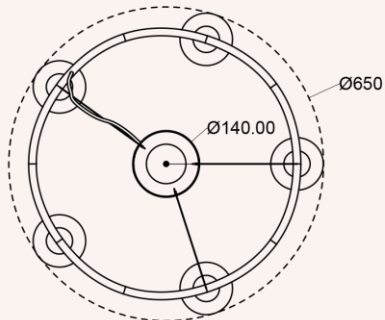

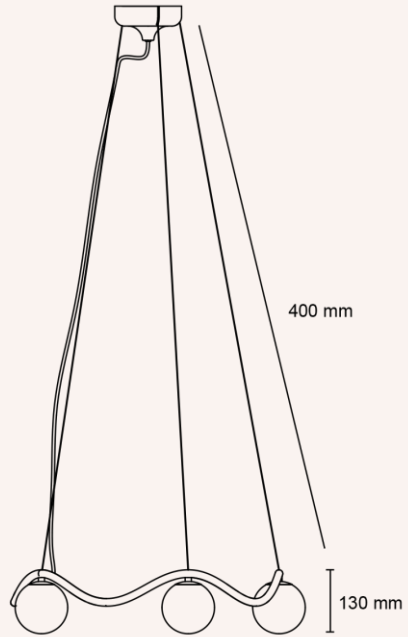

“I want my designs to be passed on to the next generation  
for a more sustainable lifestyle”

“It is the core in the way I design and not  
least how I handpick high quality and long-lasting  
materials for all collections” says Founder Maria Thygesen

Also available in  $\text{\O}650$  mm.

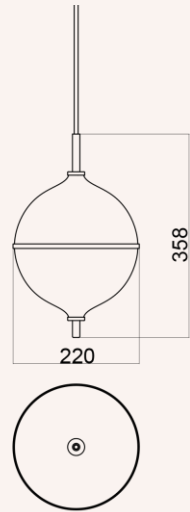

Inspired by the mystery of the moon and not least the dualities in life. Handmade in brass and mouth-blown opal glass

Eternal moonlight pendant medium  $\varnothing 220$  mm

Design by Maria Thygesen

Available with  
white or black fabric cord  
in ø22 cm.
